Adèle Warchester Biography

Adèle Warchester qualified in 1977 and has had many years' experience setting up quality, compliance and risk management systems. As Risk Manager, Client Care and Managing Partner of a city centre practice in Manchester, she successfully took the firm through the Franchise, Investors in People and Lexcel accreditations.

Now an independent Quality Management Consultant, Adèle has helped many firms manage their operational risks to achieve the lowest possible professional indemnity cover. She lectures widely to the profession and has contributed various articles on risk management to publications including the LMS Risk Management Toolkit. She is also a Consultant to the Law Society's new Risk and Compliance Service.

Visit Adèle's website at www.warchester.com for details of her services and her clients' testimonials.
